## PLANT BLOCK.

### Designed for creative gardening.

Your tool to experiment with some creative gardening is here. Plant Block. Stackable and modular, these units allow you to construct vertical gardens and maximise space. From large yards to limited patio spaces, these durable concrete units once planted, transform into a colourful "living wall". What's more, it's easy to install because Plant Block requires no special foundation or mortar.

They're easy to rearrange, giving you the freedom to create a new design anytime you want.

### CREATIVE

### VERSATILE

The interlocking, stackable, and modular characteristics of the units provide you with unlimited application options.

### DURABLE

Its lasting beauty brings you a lifetime of enjoyment.

Create the garden of your choice. With Plant Block. From **integrated Brickworks**.
